## Summary

As a fifth-semester B.Hons Computing student at Softwarica, I am Darshan Bhusal, originally from Arghakhanchi but currently residing in Kathmandu, Old Baneshwor. Passionate about technology and computing, I am dedicated to honing my skills and knowledge in the field, with a particular interest in creative designing UI and UX for mobile applications and websites. Alongside my academic pursuits, I actively engage in extracurricular activities and projects to broaden my expertise. My goal is to leverage my education and experiences to contribute meaningfully to the tech industry, combining innovation with user-centric design to create impactful solutions for both local and global communities.
